Presentation on the *Draft Countywide Plan***

DATE: **April 9, 2004**

THIS IS A HEADING USED TO SEPARATE GROUPS OF INFORMATION

The Marin County Community Development Department has unveiled the public review draft of its updated *Countywide Plan*. The overarching theme presented in the *Countywide Plan* is sustainability. To address this theme, the *Countywide Plan* has been substantially reformatted into three main elements: Natural Systems Element, Built Environment Element, and Socioeconomic Element.

As part of the public participation program, Michelle Rodriguez, the Project Manager of the Marin *Countywide Plan* update, will give a presentation on the *Draft Countywide Plan* to the Tiburon Planning Commission at its regular meeting on April 14. The purpose of the presentation is to provide an overview of the *Draft Countywide Plan* and to highlight areas of interest to Tiburon. By request of the Town Council, the presentation will also provide information on the Stream Conservation Area policies contained in the *Plan*.
